

INTRODUCTION

There is now an opportunity for you to go to a preacher training school in the heart of the Midwest, a place where you can receive college-level training and gain a greater knowledge of the Word of God.

The purpose of the Bible Institute of Missouri is to prepare those who attend to proclaim the precious message of Jesus Christ. What a unique opportunity this is for one to prepare to be a herald of the Good News worldwide.

Imagine being able to study God's Word to such a degree that you are confident in knowing the truth of our Lord. Then consider having the ability to even teach others the wonders which you have learned, knowing truly that you are studying to "present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth" (2 Timothy 2:15).

Each day at the Bible Institute of Missouri there is a 30-minute chapel program. In addition to the chapel program, students attend daily classes, receiving instruction from qualified and experienced instructors whose aim is to impart the knowledge of the Word of God. At the very same time, the instructors teach students to make proper application of those things learned. After studying 2 to 4 biblical subjects each day for 6 hours (Monday through Friday), students then have to do their homework in preparation for the next day.

It is everyone's goal at the Bible Institute of Missouri to assist each student in developing into a well-prepared preacher and teacher of God's Word. Our facility will provide the atmosphere and tools necessary for an in-depth study of God's Word. You will be taught by faithful teachers whose first and foremost goal is to prepare you for service in the kingdom of God. You will be encouraged by attending and working with a faithful and loving eldership and congregation—the Kansas Expressway Church of Christ. It is our prayer that you will take advantage of this opportunity now and commit to becoming a student at the Bible Institute of Missouri.

RECOMMENDATION

Max Patterson made this statement about the Bible Institute of Missouri when it began: "There is a great need in the Midwest for a school that will train and equip men to faithfully preach the gospel, the power of God unto salvation. There is a special need for a school which will emphasize the text of the Bible, not adding and injecting the opinions of men, nor taking away the commands and teachings that are there. I am thrilled to be associated with the Bible Institute of Missouri, and anticipate with excitement the good it will accomplish."

Max taught at the Bible Institute of Missouri for years and is still influencing future generations of preachers with his commentaries the school is still using today.

After nearly two decades of operation, we still believe there is a great need to train men and equip men to become preachers. Please seriously consider this school today.

The Bible Institute of Missouri is located in Springfield, Missouri, founded in 2003 under the oversight of the elders of the Kansas Expressway Church of Christ. It was established on the basis of the directive given to Timothy by the apostle Paul in 2 Timothy 2:2 to commit the Word of God "to faithful men who will be able to teach others also." Remember, it was Timothy's mother and grandmother who first instructed him in the Scriptures (2 Timothy 1:5; 3:15), thus teaching the next generation. Likewise, this generational principle is applied to teaching the next generation of preachers at the Bible Institute of Missouri.

The Bible Institute of Missouri was established to provide a college-level study of the Word of God and to instruct men in how to proclaim His Word. Our focus is to provide

quality preacher training for the Midwest and for all the United States. Since 2003, we have graduated faithful men who are preaching and teaching the gospel throughout the United States, Mexico, and the world.

Why travel long distances to receive the same kind of quality training far away from home? We would like to hear from you. Classes begin in August each year, and we are enrolling students now for our next intake.

The Bible Institute of Missouri exists as an evangelistic work of the Kansas Expressway Church of Christ. Supported by many individuals and congregations, this effort is driven by the commission of Jesus Christ: "Go into all the world and preach the gospel to every creature." Faithful men who have been taught and trained are preaching and teaching the saving message of Jesus Christ to the lost of this world.

Paul once asked two important questions. "How shall they hear without a preacher?" (Romans 10:14). "How shall they preach unless they are sent?" (Romans 10:15). With those questions in mind ask yourself two questions today: Where will I go? Whom will I send? If we work together to teach the next generation and train gospel preachers, then we will be able to evangelize the world together. Will you help?
